

2017 ANNUAL REPORT INFO SHEET

For the Fiscal Year ending June 30th, 2017

A Child's Haven is a 501(c)(3) organization that treats children with developmental delays as a result of limited resources, abuse, or neglect, and provides support and education for both the child and their families. It's our goal to ensure that all children in our community are prepared to start school and have families that nurture their success.

WHAT WE DO

Child & Family Services:

- Therapeutic Childcare Services & Individual Therapy
- Home Visitation
- Parent Support & Education

Intended Outcomes:

- Improve child behavioral and developmental issues
- Support school readiness
- Develop effective parenting skills
- Build stronger parent-child relationships
- Increase family self-sufficiency

Therapeutic Childcare Can Heal Adverse Childhood Experiences (ACE's)!

LONGTERM PERSONAL IMPACT

Childhood experiences, both positive and negative, have tremendous impact on lifelong health and opportunity.

LONGTERM COMMUNITY IMPACT

Without aggressive intervention, this damage can become permanent and lead to a lifetime of suffering that affects the entire community — through substance abuse, poor school performance, depression, and violence.
