

Lifting Lives Tours

A Child's Haven is a 501(c)(3) organization that treats children with developmental delays as a result of limited resources, abuse, or neglect, and provides support and education for both the child and their families. It's our goal to ensure that all children in our community are prepared to start school and have families that nurture their success.

Four times a month A Child's Haven hosts one-hour, "Lifting Lives" tour to highlight our mission, vision, and our primary services: therapeutic child care, individual therapy, home visitation, and parent support. We invite you and your family, friends, and co-workers for a small group tour. Morning sessions are limited to 10 people, and afternoon sessions have no limit.

"Lifting Lives" tours are insightful meetings that include a tour of our new Greenville location, discussion, and personal stories from staff members. Bring a group and meet with us to learn more about our mission and those we serve. Discover how you can be instrumental in transforming lives.
